MEMORANDUM FOR: Chief, Near East and South Asia Division, Operations  
FROM: Director of Central Intelligence  
SUBJECT: Letter to the SSCI Concerning a Near-Leak  
[redacted]

25X1

I think it is better to take this up with [redacted] orally. I don't like security sensitive pieces of paper circulating around if there is any way of avoiding it. As an exercise, I have eliminated the identifying detail and I think the addressee could quickly find out what we were addressing while outside eyes would not have disclosed to them what we would like to have kept secret. I want to use this as a model to try to institute this kind of care in the preparation of papers generally around here.
